

Portland Lung Transplant Support Group

For people considering, pursuing, or recovering from a lung transplant, patients who are affected by any lung disease, and their caregivers & supporters are welcome.

Fun, informative and supportive.

Monthly on the first Thursday - 10:30am to 12:30pm

The Oregon Clinic

1111 NE 99th

Portland, Or 97220

(next to the Gateway Transit Center)

For directions contact Marl Carter by phone, text or email

Our purpose is to help each other deal with all the issues surrounding lung transplantation. This group focuses on sharing information and experiences about the risks and rewards of lung transplantation, what to expect as you work through the transplant process and the challenges transplant recipients face. We learn from health care professionals and from each other.
