

The Next Breath Support Group

For those affected by lung disease and their caregivers

Second Tuesday of every month

7:00 – 8:30 p.m.

Church at Charlotte South Park

2500 Carmel Road

Charlotte, NC 28226

Room: W-2

Facilitated by Tim Cox and David Russell, double lung transplant recipients due to Idiopathic Pulmonary Fibrosis lung disease. Support is provided for those experiencing all types of lung diseases, pre-and post-transplantation. Family and friends welcome!

Park in the large lot on the Carmel Park side and enter the building through the glass doors facing the tennis courts.

Signs will direct you to W-2.

*“Having a disease like Pulmonary Fibrosis -
or helping to care for a family member
with PF can be very isolating, and at
times, very frightening.*

*We know that support from other patients
and their families can really help.”*
