Pulmonary Fibrosis Support Group

This June, MUSC is hosting a virtual support group meeting for those affected by pulmonary fibrosis. MUSC pulmonologists and respiratory therapists will be speaking on genetics and IPF, understanding PFTs, and the latest research advancements and clinical trials. Time will also be allotted for an open forum to allow for fellow patients and caregivers to ask questions and share their experiences.

VIRTUAL SUPPORT GROUP MEETING:

June 1, 2020 | 2:00 - 4:00 pm

Join online: musc.webex.com
Meeting #: 616 810 077
Password: pDiFATvV567
