

FACEBOOK FUNDRAISERS FAQ

1 How do I change the header image on my Facebook fundraiser?

Facebook defaults to the PFF header image. Click on the image and it will prompt you to upload a photo of your choosing.

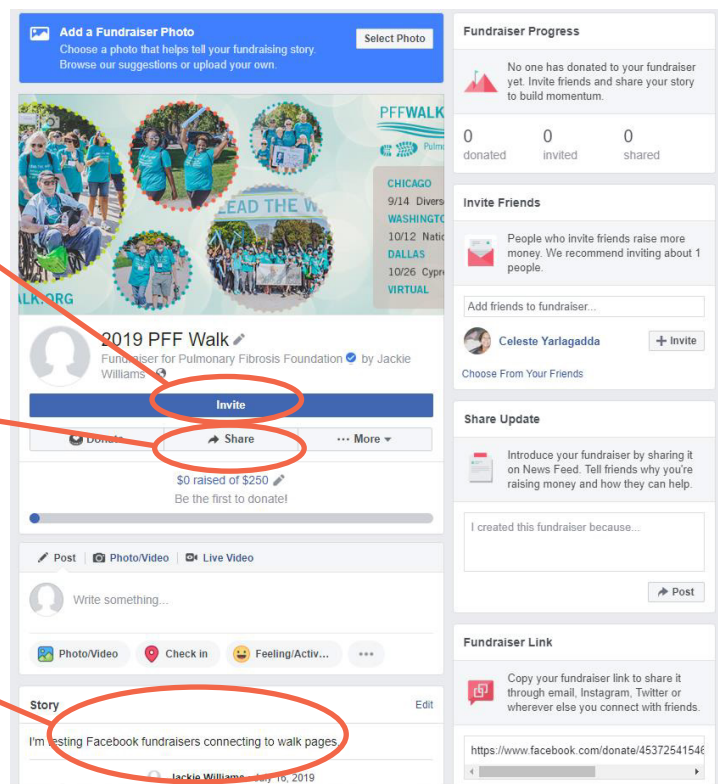

2 How can I get my friends and family to support my efforts?

Invite your friends and family to join your fundraiser!

Share your fundraiser on your timeline to remind your network that you're fundraising and to spread the message to their networks too!

Be sure you have shared your story – your connection to pulmonary fibrosis, why you're fundraising, and what it means to you to have their support.

FACEBOOK FUNDRAISERS FAQ

3 Will donations made to my Facebook fundraiser show up on my Qgiv fundraising page?

Yes, they will be listed as “Facebook donor” (unfortunately, we do not get donor details from Facebook and therefore cannot list individual donor names). These donations will count toward your goal and will help your thermometer rise!

My Supporters

Most Recent		Top Donors
Facebook Donor	\$20.00	
3 weeks ago		
Facebook Donor	\$5.00	
3 weeks ago		

4 Will donations made on my Qgiv page show up on my Facebook fundraiser?

Yes, donations made through Qgiv will be reflected in the total raised and number of donors on your Facebook fundraiser. Please note that individual donor information from Qgiv will not be available on Facebook.

5 Will Facebook donors receive communications from the Pulmonary Fibrosis Foundation?

Donors will receive a receipt directly from Facebook. The PFF does not receive donor information, so they will not receive communications from us. If donors would like to be added to our email list, they can do so by visiting our website at www.pulmonaryfibrosis.org.
