

# HAVE YOU OR A LOVED ONE BEEN NEWLY DIAGNOSED WITH IDIOPATHIC PULMONARY FIBROSIS (IPF)?

## LEARN HOW YOU MAY IMPROVE YOUR QUALITY OF LIFE AT A FREE VIRTUAL SEMINAR

### IPF Information Seminar

Idiopathic pulmonary fibrosis (IPF), characterized by scarring in the lungs, is a progressive and irreversible disease. However, this free seminar provides patients, caregivers and family members with information on the latest treatments and research that may help IPF patients breathe easier. Topics include:

- What is IPF?
- Research and Clinical Trials
- Pulmonary Rehabilitation, Oxygen and Symptom Management
- Lung Transplant
- Support and Palliative Care

DATE: Tuesday, November 1, 2022

TIME: 1:00 – 2:30 PM EST

LOCATION: Online

**Attendance is free, but registration is required.**

This is a virtual event.
