

# PFF Corporate Committee

## Save The Date

The Pulmonary Fibrosis Foundation (PFF) is launching a new initiative for our corporate partners in 2024 – the PFF Corporate Committee. Our first annual meeting will take place in person in Chicago on Tuesday, April 2, 2024, and Wednesday, April 3, 2024.

## Overview

Members of the pharmaceutical industry, specialty pharmacy, and other key groups involved in pulmonary fibrosis (PF) treatment will meet three times each year to discuss topics including but not limited to:

- The current disease landscape,
- Trial design and recruitment,
- Joint research efforts and registries,
- Funding efforts and resources,
- Endpoints, and
- Legislative efforts.

Annual membership includes up to three seats per company to attend virtually. Two representatives may attend the in-person meeting. In addition to corporate members, PFF plans to invite KOLs and other experts to participate in relevant agenda topics. Members of the PFF Corporate Committee will be recognized on the PFF website.

## Meeting Cadence

The first annual meeting will take place in person in Chicago with two subsequent virtual meetings targeted in Q3 and Q4 of each year. The in-person meeting will consist of a reception the night before and a half-day discussion focused on the agenda items the following day.
