PFF Education
Symposium

Agenda

Thursday, November 12, 2026

All sessions will take place in Central Time (CT)

Together toward tomorrow: Advancing the future of PF research

12:00 p.m. - 1:15 p.m. CT

Learn how the PFF is working to accelerate pulmonary fibrosis (PF) and interstitial lung disease (ILD) research, hear about studies helping move the field forward, and discover how the PFF Registry is contributing to progress.

Session speakers:

- Scott Staszak, Pulmonary Fibrosis Foundation
- Imre Noth, MD, University of Virginia
- Tejaswini Kulkarni, MD, MPH, FCCP, University of Alabama at Birmingham

Session moderator: Amy Hajari Case, MD, FCCP, Piedmont Healthcare, Pulmonary Fibrosis Foundation

Break 1:15 p.m. - 1:30 p.m. CT

Clinical Trial Innovation Series: Part 1

1:30 p.m. - 2:30 p.m. CT

Hear directly from clinical trial sponsors about innovative therapies in development and the latest advancements in PF and ILD research. *(continued on next page)*

Speaker #1
Trial sponsor: Boehringer Ingelheim
Trial title: A study to test whether nerandomilast helps people with fibrosing ILD at risk for disease progression

Speaker #2
Trial sponsor: United Therapeutics
Trial title: PHINDER: Pulmonary Hypertension Screening in Patients with Interstitial Lung Disease for Earlier Detection

Break 2:30 p.m. – 3:00 p.m. CT

Supplemental oxygen explained: Prescriptions, equipment & more

3:00 p.m. - 4:00 p.m. CT

Get answers to common questions about why supplemental oxygen is prescribed, how to access oxygen, equipment options, concentrator settings, and more.

Session speaker: Nicole Davis, BSN, MPH, CCTC, Tampa General Hospital
Session moderator: Sonye K. Danoff, MD, PhD, Johns Hopkins Medicine, Pulmonary Fibrosis Foundation

Your care, your voice: The power of shared decision-making

3:00 p.m. - 4:00 p.m. CT

Learn what shared decision-making means and how you can work with your healthcare team to make informed decisions about your care.

Session speaker: Kerri Aronson, MD, MS, Weill Cornell Medicine
Session moderator: Jamie Lederer, MSN, CRNP, Pulmonary Fibrosis Foundation

Friday, November 13, 2026

All sessions will take place in Central Time (CT)

Connect & collaborate: A networking session

12:00 p.m. - 1:15 p.m. CT

Connect with others in the PF and ILD community, share experiences, and spend time with people who understand the journey.

Break 1:15 p.m. – 1:30 p.m. CT

Clinical Trial Innovation Series: Part 2

1:30 p.m. - 2:30 p.m. CT

Continue exploring the latest developments in innovative therapies and PF and ILD clinical research.

Speaker #1
Trial sponsor: Insmed Incorporated
Trial title: Treprostinil Palmitil Inhalation Powder (TPIP) Clinical Trials in Pulmonary Fibrosis

Speaker #2
Trial sponsor: Trevi Therapeutics, Inc.
Trial title: Ocean Program - Phase 3 Chronic Cough Trials in Patients with IPF

Break 2:30 p.m. – 3:00 p.m. CT

Exploring your options: PF and ILD treatments

3:00 p.m. - 4:00 p.m. CT

Learn about medications and therapies available for PF and ILD, questions to discuss with your healthcare team, and factors that may help guide treatment decisions.

Session speaker: Justin C. Hewlett, MD, Vanderbilt University Medical Center
Session moderator: Amy Hajari Case, MD, FCCP, Piedmont Healthcare, Pulmonary Fibrosis Foundation

What comes next? Life after diagnosis, transplant, and loss

3:00 p.m. - 4:00 p.m. CT

Explore how life can change after a PF or ILD diagnosis, lung transplant, or the loss of a loved one, and learn ways to communicate your experience and navigate what comes next.

Session speaker: Megan Crawford, LCSW-C, APHSW-C, Johns Hopkins Bayview Medical Center
Session moderator: Jamie Lederer, MSN, CRNP, Pulmonary Fibrosis Foundation

Thank you for attending!

All live sessions from the PFF Education Symposium will be recorded and posted on the **PFF's YouTube Channel.**
