PFF Summit 2019
November 7-9, 2019, San Antonio, TX
Jointly provided by Postgraduate Institute for Medicine and the Pulmonary Fibrosis Foundation, in collaboration with Global Academy for Medical Education

This activity is not supported by any educational grants.

Target Audience  This activity is intended for physicians, physician’s assistants, respiratory therapists, pharmacists, nurse practitioners, and registered nurses engaged in the care of patients with pulmonary fibrosis.

Educational Objectives  After completing this activity, the participant should be better able to:
• Explain the pathophysiology of IPF based on the most current data
• Accurately diagnose IPF using a systematic approach
• Effectively implement key diagnostic procedures including HRCT scanning and surgical lung biopsy
• Discuss recent evidence for treatments in the management of IPF
• Recognize genetic components of IPF
• Describe the role of lung transplantation in IPF, and the factors that affect candidacy and timing
• Provide patient lifestyle management tools which improve functional status
• Develop a comprehensive approach to the management of IPF, that includes both pharmacologic and non-pharmacologic therapies

Faculty
Amy Case, MD
Piedmont Healthcare

Andreas Guenther, MD
Justus-Liebig-University

Andrew Limper, MD
Mayo Clinic

Anne Dimmock, MS
Penn State Milton S. Hershey Medical Center

Anne Turner, RN4, BSN, JD
Vanderbilt University Medical Center

Anoop M. Nambiar, MD, MS
University of Texas Health San Antonio

Antje Prasse, MD
Hannover School of Medicine

Ayodeji Adegunsoye, MD
University of Chicago Pulmonary Clinic

Barbra Swanson MS, ND, RDN, LD
University Health System - San Antonio

Bill Schmidt
Pulmonary Fibrosis Foundation

Bray Patrick-Lake, MFS
Evidation Health

Carolyn Spada, BSN, RN
University of Washington Medical Center

Christine Kim Garcia, MD, PhD
Columbia University

Cory Hogaboam, PhD
Cedars Sinai
Dan Culver, DO
Cleveland Clinic

Dave Sherry
Patient and PFF Ambassador

David Lynch, MB, BCh
National Jewish Health

Debbie Herndon
Patient and PFF Ambassador

Deborah Gillman, PhD
University of Pittsburgh Medical Center

Deborah Levine, MD
University of Texas Health San Antonio

Dorothy Delarosa
Patient and PFF Ambassador

Edith Perez, MD
Mayo Clinic

Eric Smith, LPN
Vanderbilt University Medical Center

Erica Farrand, MD
University of California, San Francisco

Evans Fernandez Perez, MD, MS
National Jewish Health

Fayez Kheir, MD
Tulane University

Fernando Martinez, MD
Cornell University

Ganesh Raghu, MD
University of Washington

Gregory P. Cosgrove, MD
National Jewish Health and Pulmonary Fibrosis Foundation

Hal Collard, MD
University of California, San Francisco and Pulmonary Fibrosis Foundation

Imre Noth, MD
University of Virginia

Ivan Rosas, MD
Brigham and Women's Hospital

Jamie Ludwig, RN, BSN
University of Kansas Medical Center

Janell Reichuber, RN, BSN
University of Kansas Medical Center

Janet Talbert, MS, CGC
National Jewish Health and University of Colorado

Jeffrey Swigris, DO
National Jewish Health

Jennifer Hayes, BSN, RN
University of Washington Medical Center

Joao A. De Andrade, MD
Vanderbilt University Medical Center

Jonathan Chung, MD
University of Chicago

Jonathan Kropski, MD
Vanderbilt University Medical Center

Joseph Lasky, MD
Tulane University

Joyce Johnson, MD
Vanderbilt University Medical Center

Joyce Lee, MD
University of Colorado

Julie Bazan MHA, LCHW
National AHEC Organization

Justin Oldham, MD
University of California at Davis Health

Karen Carns
Patient and PFF Ambassador

Karen Van Kerkhove, RN, BSN
Cleveland Clinic
Program

Thursday
- Community Pulmonologists and ILD Fellows (pre-registration required): Cibolo 8-10
- Nurses and Allied Health Network (pre-registration required): Iris - Lily
- Welcome Reception and Poster Presentation: Cibolo Ballroom

Friday
- Plenary Session: Translational Genomics: The Future is Now: Grand Oaks Ballroom
- Senescence: Grand Oaks Ballroom
- Lunch & Clinical Trials Innovation Series: Grand Oaks Ballroom
- Pulmonary Fibrosis Registries and Resources: What is in them, what have we learned, and where are we going: Grand Oaks Ballroom
- IPF Diagnostics: Grand Oaks Ballroom
- Cocktail Reception
- Networking Dinner

Saturday
- Plenary Session: Clinical Trials: Empowering Patients to Participate: Grand Oaks Ballroom
- Transcriptomics: Grand Oaks Ballroom
- Lunch & Clinical Trials Innovation Series: Grand Oaks Ballroom
- Autoimmune ILD and Chronic Hypersensitivity Pneumonitis (CHP) – Nuances and similarities: Grand Oaks Ballroom
- Therapeutic challenges and controversies in ILD: Grand Oaks Ballroom

Joint Accreditation Statement  In support of improving patient care, this activity has been planned and implemented by the Postgraduate Institute for Medicine and the Pulmonary Fibrosis Foundation. Postgraduate Institute for Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
Physician Continuing Medical Education  The Postgraduate Institute for Medicine designates this live activity for a maximum of 20.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 20.5 MOC points [and patient safety MOC credit] in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. A 10 question post-test will be required in order to obtain MOC credit. See the section below for “Request for credit” for more detail.

To claim and receive MOC credits, learners must follow the Request for Credit instructions and provide:

- ABIM ID number
- first and last name
- degree and specialty
- DOB (month and day)

Continuing Pharmacy Education  Postgraduate Institute for Medicine designates this continuing education activity for 20.5 contact hour(s) (0.205 CEUs) of the Accreditation Council for Pharmacy Education.

Nurses and Allied Health Network  
(Universal Activity Number - JA4008162-9999-19-950-L01-P)

Translational Genomics: The Future is Now  
(Universal Activity Number - JA4008162-9999-19-951-L01-P)

Senescence  
(Universal Activity Number - JA4008162-9999-19-953-L01-P)

Pulmonary Fibrosis Registries and Resources: What is in them and what have we learned and where are we going  
(Universal Activity Number - JA4008162-9999-19-954-L01-P)

IPF Diagnostics  
(Universal Activity Number - JA4008162-9999-19-955-L01-P)

Clinical Trials: Empowering Patients to Participate  
(Universal Activity Number - JA4008162-9999-19-956-L01-P)

Transcriptomics  
(Universal Activity Number - JA4008162-9999-19-957-L01-P)

Autoimmune ILD and Chronic Hypersensitivity Pneumonitis (CHP)  
(Universal Activity Number - JA4008162-9999-19-958-L01-P)
Therapeutic Challenges and Controversies in ILD
(Universal Activity Number - JA4008162-9999-19-961-L01-P)
Type of Activity: Knowledge

Pharmacists have up to 30 days to follow the Request for Credit instructions - complete the evaluation and claim credit for participation so that information can be submitted to CPE Monitor as required.

**Continuing Nursing Education**  The maximum number of hours awarded for this Continuing Nursing Education activity is 20.4 contact hours.

**Continuing Respiratory Care Education (CRCE)**  This program has been approved for 16.41 contact hours Continuing Respiratory Care Education (CRCE) credit by the American Association for Respiratory Care, 9425, N. MacArthur Blvd, Suite 100, Irving TX 75063.

**Disclosure of Conflicts of Interest**  Postgraduate Institute for Medicine (PIM) requires instructors, planners, managers, and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest (COI) they may have as related to the content of this activity. All identified COI are thoroughly vetted and resolved according to PIM policy. PIM is committed to providing its learners with high quality activities and related materials that promote improvements or quality in healthcare and not a specific proprietary business interest of a commercial interest.

**Faculty**  All disclosures will be available for review in the Speaker Ready Room.

**Planners and Managers**  The PIM planners and managers have nothing to disclose. The Pulmonary Fibrosis Foundation and Global Academy for Medical Education planners and managers have nothing to disclose.

**Disclosure of Unlabeled Use**  This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications. The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

**Disclaimer**  Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient’s conditions and possible contraindications and/or dangers in use, review of any applicable manufacturer’s product information, and comparison with recommendations of other authorities.

**Request for Credit**  If you wish to receive acknowledgment for completing this activity, please complete the evaluation on www.cmeuniversity.com. On the navigation menu, click on “Find Post-test/Evaluation by Course” and search by course ID 13954. Upon registering and completing the activity evaluation, your certificate will be made available immediately.
**For Pharmacists**  Please complete the evaluation on www.cmeuniversity.com. On the navigation menu, click on “Find Post-test/Evaluation by Course” and search by course ID 13954. Upon registering and completing the activity evaluation, your transcript information will be sent to the NABP CPE Monitor Service.

Pharmacists will need to provide their National Association of Boards of Pharmacy (NABP) e-Profile ID and date of birth (MMDD) to ensure the data is submitted to the ACPE and NABP properly. If you need to obtain your NABP e-Profile, please visit www.nabp.net.
