### **Is there a deadline for registering?**

No, registration will remain open throughout the conference.

### **Is there any financial support for people to attend the PFF Summit 2021?**

Not at this time.

### **How do I log into the PFF Summit 2021 Conference?**

Visit [bit.ly/pffsummitlogin](https://bit.ly/pffsummitlogin)

Username: Email you used to register for the conference.

Password: There is no password. Your login email also serves as your password.

### **What if I have technical issues while on the platform?**

Chrome, Firefox, and the new versions of Microsoft Edge are the recommended browsers. Features will be limited, including the live broadcasts, on other browsers. If you are experiencing any issues logging in, please confirm that you are entering your email address correctly and disable any pop-up blockers. For technical support, please try refreshing your browser first, then use the blue "Need Help" button at the bottom left of each page of the conference website.

### **How can I get the most out of the virtual conference?**

Plan your virtual experience by browsing our platform when the site opens on November 8, 2021 at 9:00 a.m. CST. Be sure to allow the website to push pop-up notifications. Use your profile dropdown located on the top right of each page of the conference website to update your profile, to view your starred items, chats, and messages.

Visit our exhibit hall and view all of our sponsor messages and information on their products and services. You will see small star icons throughout the site allow you to save information in your virtual tote bag for quick access at a later date.

Our "Resource Center" contains a collection of slide decks, a link to the PFF store, and additional downloadable content available exclusively to our attendees.

### **What can I do to network with other attendees?**

Update your Profile located in the top right of each page of the conference website. Find other attendees in the lounge or use the search button to the right of your profile. Import your social media profile from Facebook or LinkedIn. Use the Chat function to communicate with Faculty, Exhibitors, or other attendees by clicking on their name. The chat function will also allow you to speak with exhibitors in their hall as well as other attendees during the Thursday night Summit Social.

### **How can I learn and claim CME Credit?**
