

NOVEMBER 8 - 13, 2021

VIRTUAL

PROGRAM

pffsummit.org

#PFFSummit

 Pulmonary
Fibrosis
Foundation

All attendees of the PFF Summit 2021 are welcome to attend any session of their choosing. Use the color codes below as a general guide about which sessions we recommend for you.

Monday, November 8

Exhibit Hall Hours

3:00 p.m. - 5:30 p.m. CST

Pulmonary Fibrosis 101 & Introduction to the PFF ●●●●

10:00 a.m. - 11:00 a.m. CST

- Introduction to the Pulmonary Fibrosis Foundation - *William T. Schmidt*
- Overview of Pulmonary Fibrosis - *Rade Tomic, MD*
- What is Pulmonary Fibrosis? - *Rade Tomic, MD*
- Causes and Classification of Pulmonary Fibrosis - *Mary Strek, MD*
- Testing and Monitoring in Pulmonary Fibrosis - *Dan Dilling, MD*
- Symptom Management for PF Patients - *Dan Dilling, MD*
- Live All Group Discussion/Audience Q&A

Introduction to the PFF Registry & the Care Center Network ●●●●

12:00 p.m. - 1:00 p.m. CST

- Introduction - *Jessica Shore, PhD, RN*
- PFF Registry - *Kevin Flaherty, MD, MS*
- Overview of who/what is in the Registry - *Kevin Flaherty, MD, MS*
- Summary of first phase - *Kevin Flaherty, MD, MS*
- Plans for second phase - *Junelle Speller, MBA*
- How you can participate - *Junelle Speller, MBA*
- PFF Care Center Network - *Sonye Danoff, MD; Jessica Shore, PhD, RN*
- Live All Group Discussion/Audience Q&A - *Kevin Flaherty, MD, MS; Junelle Speller, MBA; Sonye Danoff, MD; Jessica Shore, PhD, RN*

Familial Pulmonary Fibrosis and Genetic Counseling ●●●

1:30 p.m. - 2:30 p.m. CST

- Introduction - *Junelle Speller, MBA*
- Overview of Familial PF - *Janet Talbert, MS, CGC*
- How to Access Genetic Counseling - *Janet Talbert, MS, CGC*

- Genetic Counseling Guidelines and PFF Position Statement - *Janet Talbert, MS, CGC*
- Live All Group Discussion/Audience Q&A

Poster Session: Interactive Presentations, Highlights, and Live Q&A ●●●●

3:00 p.m. - 5:30 p.m. CST

- Introduction - *William T. Schmidt; Joseph Lasky, MD*
- Live Q&A
- Awards Presentation - *Joseph Lasky, MD*

Tuesday, November 9

Exhibit Hall Hours

11:30 a.m. - 12:00 p.m. CST | 1:00 p.m. - 1:30 p.m. CST | 4:00 p.m. - 4:30 p.m. CST

Plenary Session | Beyond Drugs: Therapies to Improve Quality of Life ●●●●

10:00 a.m. - 11:30 a.m. CST | Keynote Speaker - *Kathleen O. Lindell, PhD, RN*

- Welcome! Daily Remarks and Announcements - *Joseph Lasky, MD*
- KEYNOTE: Palliative Care: Spotlight on the Caregiver - *Kathleen O. Lindell, PhD, RN*
- Integrative Therapies - *Tania T. Von Visger, PhD, APRN, CCRN, MSN*
- Psychological Well-Being - *Debra Sandford, PhD*
- Evidence for Pulmonary Rehabilitation Benefits for Patients with ILD - *Chris Garvey, FNP, MSN*
- Live Panel Discussion and Audience Q&A

Clinical Trials Innovation Series ●●●●

12:00 p.m. - 1:00 p.m. CST

- Introduction - *Kelsey Overberg*
- ENDCOV-I Study Rationale & Design (Boehringer Ingelheim) - *Nina Patel, MD*
- Helping the World to Breathe (Three Lakes Foundation) - *University of Michigan*
- ZEPHYRUS Phase 3 IPF Development Program (FibroGen) - *Will Chou, MD*

Caring for Yourself when Caring for Others ●●●

1:30 p.m. - 2:30 p.m. CST

- Introduction - *Jennifer Simokaitis*
- Understanding the Unique Needs of the Caregiver - *Julie Morisset, MD*
- Resources and Services Available to Caregivers - *Julie Morisset, MD*
- How to Care for Yourself While Caring for Others - *Kate Yablonsky, MSW*
- Caregiver Experience - *Marianne Sarazin*
- Live Discussion and Q&A

New Diagnostic and Management Guidelines: Putting Them into Practice ●

1:30 p.m. - 3:00 p.m. CST

- Introduction - *Ganesh Raghu, MD*
- Updates in IPF Diagnosis and Management - *Chris Ryerson, MD*
- Updates in HP Diagnosis and Management - *Kerri Johannson, MD, MPH*

- Updates in CTD-ILD Diagnosis and Management - *Tamera Corte, MD, PhD*
- Live Panel Discussion/Audience Q&A

Dealing with the Cough ●●●

3:00 p.m. - 4:00 p.m. CST

- Introduction - *Amy Hajari Case, MD*
- Understanding the Mechanisms of the Cough with PF - *Meena Kalluri, MD*
- Current Treatment Approaches - *Corey Kershaw, MD*
- Past and Current Research on Measurement and Treatment - *Corey Kershaw, MD*
- Live All Group Discussion/Audience Q&A

Fireside Chat ●●●●

4:30 p.m. - 5:30 p.m. CST | William T. Schmidt; Joseph A. Lasky, MD; Amy Hajari Case, MD; Kevin Flaherty, MD, MS; Sonye Danoff, MD, PhD; Joyce Lee, MD; Bernie Williams

Clarifying the ILD Diagnostic Odyssey with the Envisia Genomic Classifier ●●●

5:30 p.m. - 6:30 p.m. CST | *Sponsored by Veracyte*

- Introduction - *Sangeeta Bhorade, MD*
- Share a patient's challenging journey of getting an IPF diagnosis and initiating treatment - *Keith Boyle, IPF Patient*
- Provide an overview of the diagnostic challenges in ILD - *Sam Weigt, MD*
- Discuss the clinical data and utility of the Envisia Genomic Classifier - *Sam Weigt, MD*
- Review clinical experience with the Envisia Genomic Classifier at UCLA - *Sam Weigt, MD*
- Live Audience Q&A

This industry session is independently organized and is not eligible for CME/CE credits.

Wednesday, November 10

Exhibit Hall Hours

11:00 a.m. - 12:00 p.m. CST | 1:00 p.m. - 1:30 p.m. CST

Exercise, Education, and Social Support ●●●

10:00 a.m. - 11:00 a.m. CST

- Introduction - *Laura Devitt*
- Pulmonary Rehabilitation: Why it Decreases Breathlessness, Hospital Admissions, and Fatigue - *Kim Crilly RN, MS, CDCES*
- When PF Rehab is Not Available: Other Options for Exercise - *Derek Zaleski, PT, DPT*
- Support Groups: Format Options, PFF Support, Starting One - *Mal Doyle*
- Live All Group Discussion/Audience Q&A

Research Updates: COVID-19 and More ●

10:00 a.m. - 11:30 a.m. CST

- Introduction - *Maria Padilla, MD*
- What We're Learning from COVID-19 and How it Relates to PF - *Rob Kaner, MD*

- COVID-19 Vaccines - What to Expect, Adverse Effects, Side Effects, How it May Differently Impact PF and Transplanted Patients, What We Know Since FDA Approval - *Amy Hajari Case, MD*
- Research Updates from the CCN and PFF Registry - *Lisa Lancaster, MD*
- Live Panel Discussion/Audience Q&A

Clinical Trials Innovation Series

12:00 p.m. - 1:00 p.m. CST

- Introduction - *Amy Hajari-Case, MD, FCCP*
- TETON Clinical Trial (United Therapeutics) - *Natalie Anderson*
- Integrin-mediated TGF-beta Activation Plays a Crucial Role in IPF (Pliant Therapeutics) - *Gregory P. Cosgrove, MD*
- Chiesi Group Profile (Chiesi Farmaceutici SpA) - *Thomas Eichholtz, PhD*

Legislative Advocacy: How You Can Help the PFF Lead the Way

1:30 p.m. - 2:30 p.m. CST

- Introduction - *Kate Gates*
- How You Can Be Involved in the Legislative Process - *William T. Schmidt*
- Current Initiatives in the Pipeline - *William T. Schmidt*
- The PFF's Focus for Future Efforts - *William T. Schmidt*
- Live All Group Discussion/Audience Q&A

Expanding Our Clinical Understanding of ILD

1:30 p.m. - 3:00 p.m. CST

- Introduction - *Rade Tomic, MD*
- Understanding the Antibodies: Connective Tissue Disease with Associated ILD - *Erin Wilfong, MD, PhD*
- Rare ILDs: Pleuroparenchymal fibroelastosis (PPFE), Combined Pulmonary Fibrosis and Emphysema (CPF), and Smoking-Related ILDs - *Vincent Cottin, MD, PhD*
- Patient Reported Outcome Measures - Integrating These in Research and Clinical Practice - *Alyson Wong, MD*
- Live Panel Discussion/Audience Q&A

Art Therapy

3:00 p.m. - 4:00 p.m. CST

- Introduction - *Laura Devitt*
- Interactive Art Therapy - *Joan Hawkins, MS*
- Live Discussion/Audience Q&A

Grief Writing Workshop

4:30 p.m. - 5:30 p.m. CST

- Introduction - *Kate Gates*
- Interactive Grief Writing Workshop - *Pennie Hunt*
- Closing Remarks - *Kate Gates*

Thursday, November 11

Exhibit Hall Hours

11:00 a.m. - 12:00 p.m. CST | 1:00 p.m. - 1:30 p.m. CST

Supplemental Oxygen 101

10:00 a.m. - 11:00 a.m. CST | Susan Jacobs, RN, MS; Melissa King; Mike Zampella; Kate Gates

- Introduction - *Kate Gates*
- Assessment of the Need for Oxygen - *Susan Jacobs, RN, MS*
- Navigating the Oxygen Prescription, Various Durable Medical Equipment (DMEs), and Equipment Choices - *Susan Jacobs, RN, MS*
- What the ATS Oxygen Clinical Practice Guidelines Tell Us - *Susan Jacobs, RN, MS*
- Traveling with Oxygen - *Melissa King*
- DME Representative Tips for Patient Oxygen Users; Hands-On Session Led by Patient Oxygen Users - *Mike Zampella*
- Live All Group Discussion/Audience Q&A

Resources for Your Patients

10:00 a.m. - 11:30 a.m. CST

- Introduction - *Andrew Limper, MD*
- New Patient Information: What to Collect and Resources to Share - *Jennifer Hayes, RN, BSN*
- O2 Resources - *Jennifer Hayes, RN, BSN*
- Perspectives from a Social Worker: Medicare coverage, getting signed up, covered medications for patients - *Maciej "Mike" Bielaczyc, LCSW, CCTSW*
- PFF Position Statements (genetics, stem cell treatment, HRCT, Surgical Lung Biopsy, etc.) - *Andrew Limper, MD*
- Live Panel Discussion/Audience Q&A

Clinical Trials Innovation Series

12:00 p.m. - 1:00 p.m. CST

- Introduction - *Jessica Shore, PhD, RN*
- Clinical Trial in IPF at Roche/Genentech (Genentech) - *Cindy Burg, PharmD, BCPS*
- GB0139: Galectin-3 Inhibitor for IPF (Galecto Biotech APS) - *Alison MacKinnon, PhD*

Life After Lung Transplant

1:30 p.m. - 2:30 p.m. CST

- Introduction - *Jamie Lederer, CRNP, MSN*
- Potential Complications After Transplant - *Reda Girgis, MD*
- Understanding Your Medications - *Carly D'Agostino, PharmD*
- Revolving Changes to the Protocol - *Carly D'Agostino, PharmD*
- What to Expect from Side Effects - *Erin Mahoney, ANP-BC*
- Interactive Meet & Greet with All Session Participants

Poster Winners! Top 5 Give Summary Presentations ●

1:30 p.m. - 3:00 p.m. CST | Beth Moore, PhD

- Introduction
- Poster Winner #1
- Poster Winner #2
- Poster Winner #3
- Poster Winner #4
- Poster Winner #5

* Poster winners will be announced during the Awards Ceremony on Monday, November 8, 2021

Preparing for the Future ●●●

3:00 p.m. - 4:00 p.m. CST

- Introduction - *Janell Reichuber, RN*
- Palliative Care: Managing Your Symptoms to Improve Quality of Life, How to Access, Maintenance, and Insurance Requirements - *Heather Bachert, NP*
- Hospice: What is the Difference Between Hospice and Palliative Care? - *Heather Bachert, NP*
- How to Talk with Family and Friends about PF - *Lanier O'Hare, MSN, CRNP*
- Live All Group Discussion/Audience Q&A

Putting Clinical Research into Practice: Exacerbations, Progressive Phenotypes, and More ●

4:00 p.m. - 5:30 p.m. CST

- Introduction - *Mary Streck, MD*
- Treatments (Existing and Emerging): Understanding the Pathogenesis of Acute Exacerbations and How this Informs Therapy - *Steven R. Duncan, MD*
- Concept of Progressive Fibrosis as Unique Phenotype - *Marlies Wijsenbeek MD, PhD*
- Cellular vs. Fibrosis Nonspecific Interstitial Pneumonia (NSIP) and How this Impacts Patient Outcomes - *Rishi Raj, MD*
- Emerging Data about Genetics and IPF - *Susan K. Mathai, MD*
- Live Panel Discussion/Audience Q&A

Idiopathic Pulmonary Fibrosis: A Patient's Journey, A Physician's Perspective ●●●

4:30 p.m. - 5:00 p.m. CST | Ayodeji Adegunsoye, MD, MS; Kay B., Patient Mentor
Sponsored by Boehringer Ingelheim

Join Dr. Ayodeji Adegunsoye, a pulmonologist at the University of Chicago, as he speaks openly with Kay B. about her journey to diagnosis with idiopathic pulmonary fibrosis (IPF).

This industry session is independently organized and is not eligible for CME/CE credits.

The PFF Summit Social ●●●●

6:00 p.m. - 8:00 p.m. CST

This virtual event will feature a line-up of local Chicago area talent, including musical performances, cooking & mixology classes, yoga, improvisation, and a sky show!

- Concert - *The Oh Yeahs*
- From Ancient Healers to Modern Medicine: How Space is Helping Save Lives - *Derek Demeter*
- Healthy Takes on Classic Comfort Dishes - *Chef Halee Raff*
- Fun, Fruity Beverages - *Adam Daniels*
- Yoga Wherever You Are - *Kelsey Schlabaugh*
- Improvisation to Improve Communication - *Rachel Miller Hicks*
- The Pet Party - *Jennifer Simokaitis*

Friday, November 12

Exhibit Hall Hours

1:00 p.m. - 1:30 p.m. CST | 2:30 p.m. - 3:00 p.m. CST

Plenary Session | Moving PF Care Forward: Updates from Ongoing Research ●●●●

10:00 a.m. - 11:30 a.m. CST | Keynote Speaker - Gary Gibbons, MD

- Welcome! Daily Remarks and Announcements - *William T. Schmidt*
- KEYNOTE: The Importance of PF-related Research to the NHLBI - *Gary Gibbons, MD*
- PRECISIONS Trial - *Fernando Martinez MD, MS*
- PFF Registry - Research Results - *Elizabeth Freiheit, PhD*
- Research: Racial Disparities in Healthcare Outcomes for those with PF - *Ayodeji Adegunsoye, MD*
- Live Panel Discussion and Audience Q&A

Nurse and Allied Health Network: Part I (CE session) ●

12:00 p.m. - 3:00 p.m. CST | Jamie L. Lederer, CRNP, MSN, RN; Janell Reichuber, RN; Lori Flint, RN, BSN; Lanier O'Hare, MSN, CRNP; Jennifer Hayes, RN, BSN; Carolyn Spada, RN, BSN; Susan Long, LCSW; Jessica Shore, PhD, RN

- Welcome, Housekeeping, and Introductions
- Role Development of ILD Clinical Coordinators
- Understanding the Diagnostic Pathway in ILD: Overview of ILD and How to Diagnose
- Palliative Care Integration in Clinical Practice
- Break
- Addressing the Challenges of Care in ILD: Complexity of Patient Care, Coordination of Care, New Medications, Insurance Barriers; Patient's Perspectives
- Patient information to Healthcare Providers | "What I wish I would have known at the time of diagnosis"
- Partnering Families & Caregivers with Support Resources
- Breakout Groups
- Closing Comments

Community Pulmonologists: “ILD Diagnosis and Therapy: Essential Updates for 2021” - PART I ●

12:00 p.m. - 4:00 p.m. CST | Vikramjit “Vik” Khangoora, MD; Debra A. Gleason, APRN; Justin Oldham, MD; Susan Jacobs, RN, MS; Lisa Allenspach, MD; Shelley Schmidt, MD; Rishi Raj, MD; Joseph A. Lasky, MD; Mary Strek, MD

- Welcome, Housekeeping, and Introductions
- Diagnostic Guidelines Updates-HP diagnosis, Possibly IPF update (ATS/ERS and Fleishner Society)
- Therapeutic Updates - INBUILD, Other Recently Completed Clinical Trials
- Live Audience Q&A for Speaker Panel
- Break #1
- Integrating Palliative Care in clinical practice (non pharm mgmt of ILD and symptom management)
- Reconciling guidelines and clinical trials-how to integrate new information into clinical practice
- Integrating ATS Oxygen CPGs into ILD care (anticipated publication in 11/20)
- Live Audience Q&A for Speaker Panel
- Break #2
- Indications and contra-indications for transplant
- Management of hospitalized patients - exacerbation / acutely ill patients with ILD, initial management with CTD-ILD, diagnosis and next steps
- Live Audience Q&A for Speaker Panel
- Break #3
- MDD Interesting Cases: Case #1
- Interactive Discussion/Live Q&A
- MDD Interesting Cases: Case #2
- Interactive Discussion/Live Q&A

How to Navigate Telehealth ●●●

1:30 p.m. - 2:30 p.m. CST

- Introduction - *Marlies Wijzenbeek, MD, PhD*
- Preparing for a Telehealth Visit - *Maryluz Fuentes, MD*
- Home Monitoring, Home Spirometry, Remote Pulmonary Rehabilitation, and Navigating the Uncertainties - *Toby Maher, MD, MSc, PhD, FRCP*
- Live All Group Discussion/Audience Q&A

PFF Scholars: Presentation of Novel Projects by Early Career Investigators ●

1:30 p.m. - 3:00 p.m. CST

- Introduction - *Michael F. Beers, MD*
- PFF Scholar - *Gillian Goobie, MD*
- PFF Scholar - *Bridget Graney, MD*
- PFF Scholar - *Avraham Unterman, MD*
- Live Panel Discussion/Audience Q&A

Meditation, Mindfulness, and Movement ●●●

3:00 p.m. - 4:00 p.m. CST

- Introduction - *Laura Devitt*
- Illness, Stress, Mindfulness, and Resilience - *Renee R. Fletcher, MSN, RN, CNS*
- Building a Mindful Brain - *Renee R. Fletcher, MSN, RN, CNS*
- Live All Group Discussion/Audience Q&A

MDD Simulation: Interesting Cases with Interactive/Live Discussion ●

4:00 p.m. - 5:30 p.m. CST

- Introduction - *Daniel Dilling, MD*
- Case #1 - *Lida Hariri MD, PhD*
- Interactive Discussion/Live Q&A
- Case #2 - *Stephen Hobbs, MD*
- Interactive Discussion/Live Q&A
- Case #3 - *Elizabeth Volkmann, MD*
- Interactive Discussion/Live Q&A

Saturday, November 13

Exhibit Hall Hours

11:00 a.m. - 12:00 p.m. CST

When PF Worsens: Common Cold, Influenza, COVID-19, or Worsening PF? ●●●

10:00 a.m. - 11:00 a.m. CST

- Introduction - *Jennifer Simokaitis*
- The Difference Between Colds, Flu, Influenza, COVID-19 and PF Exacerbations: It's Difficult! - *Rebekah Edwards, DNP, FNP-C*
- The Spectrum of Treatment Decisions for Worsening Disease - *Rebekah Edwards, DNP, FNP-C*
- Preventing Emergency Room and Hospital Admissions: Communicating with Your Care Team - *Rebekah Edwards, DNP, FNP-C*
- Live All Group Discussion/Audience Q&A

The Lung Transplant Experience ●●●

12:00 p.m. - 1:00 p.m. CST

- Introduction - *Joyce Lee, MD, MS*
- The Lung Transplant Evaluation - *Timothy Whelan, MD*
- Planning for Your Transplant - *Timothy Whelan, MD*
- The Lung Transplant Process and Surgery - *Timothy Whelan, MD*
- How to Navigate Medicare - *Maciej "Mike" Bielaczyc, LCSW, CCTSW*
- Patient Perspective - *Gary Cunningham*
- Live All Group Discussion/Audience Q&A

Nurse and Allied Health Network - PART II (CE session) ●

12:00 p.m. - 3:00 p.m. CST | Jamie L. Lederer, CRNP, MSN, RN; Janell Reichuber, RN; Jessica Shore, PhD, RN; Susan Jacobs, RN, MS; Charles Bodreau, PharmD; Rebekah Edwards, DNP, FNP-C; Chris Garvey FNP, MSN; Annlise Calypso, CRNP; Kathleen O. Lindell, PhD, RN; Jessica Shore, PhD, RN

- Welcome, Housekeeping, and Introductions
- Nurse and Allied Health Network: Working Group Update
- Oxygen & Legislation
- ILD Specialty Pharmacy
- Transition to Transplant, Partnering with your Transplant Program
- Break
- Pulmonary Rehabilitation
- Pulmonary Hypertension/ Autoimmune ILD
- Research Journey and Inspiration
- Closing Comments

Community Pulmonologists: "ILD Diagnosis and Therapy: Essential Updates for 2021" - PART II ●

12:00 p.m. - 4:00 p.m. CST | Elizabeth Volkmann, MD; Leah Witt, MD; Anna J. Podolanczuk, MD, MS; Nir Goldstein, MD; Lauren Troy, MD; Jonathan H. Chung, MD; Bradford Bemiss, MD; Maryl Kreider, MD, MSCE; Lida Hariri, MD; Kerri Aronson, MD; Erica Farrand, MD; Daniel Dilling, MD; Rade Tomic, MD

- Welcome, Housekeeping, and Introductions
- Understanding CTD/Scleroderma Associated ILD
- Special Age Population: Workup and Care
- Live Audience Q&A for Speaker Panel
- Break #1
- COVID-19: Prognosis, Vaccination, Prevention
- COVID-19: Treatment/Therapy, Post-COVID State, and Management
- Live Audience Q&A for Speaker Panel
- Break #2
- Cryobiopsy in Diagnosis of ILD (Coldice and Other Recent Studies)
- HRCT: Indications and Diagnosis
- Genomic Classifiers: New and Emerging Data
- Live Audience Q&A for Speaker Panel
- Break #3
- MDD Interesting Cases: Case #1
- Interactive Discussion/Live Q&A
- MDD Interesting Cases: Case #2
- Interactive Discussion/Live Q&A

Nutrition and How it Helps Quality of Life ●●●

1:30 p.m. - 2:30 p.m. CST

- Introduction - *Kate Gates*
- Nutrition, ILD, and Quality of Life - *Emilie Klemptner, RD*
- Live All Group Discussion/Audience Q&A

Therapies Under Investigation for PF: What's Coming Down the Pike ●●●

3:00 p.m. - 4:00 p.m. CST

- Introduction - *Amy Hajari Case, MD*
- The Current Landscape of Active PF-Related Clinical Trials - *Toby Maher, MD, MSc, PhD, FRCP*
- Live All Group Discussion/Audience Q&A

Rebroadcast Sessions

Pulmonary Fibrosis 101 & Introduction to the PFF ●●●●

November 9, 2021 | 5:00 a.m. - 6:00 a.m. CST

Introduction to the PFF Registry & the Care Center Network ●●●●

November 9, 2021 | 6:30 a.m. - 7:30 a.m. CST

Familial Pulmonary Fibrosis and Genetic Counseling ●●●

November 9, 2021 | 8:30 p.m. - 9:30 p.m. CST

Plenary Session | Beyond Drugs: Therapies to Improve Quality of Life ●●●●

November 10, 2021 | 4:00 a.m. - 5:30 a.m. CST | Keynote Speaker - Kathleen O. Lindell, PhD, RN

Caring for Yourself when Caring for Others ●●●

November 10, 2021 | 5:00 a.m. - 6:00 a.m. CST

New Diagnostic and Management Guidelines: Putting Them into Practice ●

November 10, 2021 | 6:00 a.m. - 7:00 a.m. CST

Research Updates: COVID-19 and More ●

November 11, 2021 | 12:30 a.m. - 2:00 a.m. CST

Legislative Advocacy: How You Can Help the PFF Lead the Way ●●●

November 11, 2021 | 5:00 a.m. - 6:00 a.m. CST

Expanding Our Clinical Understanding of ILD ●

November 11, 2021 | 6:00 a.m. - 7:30 a.m. CST

Supplemental Oxygen 101 ●●●

November 12, 2021 | 5:00 a.m. - 6:00 a.m. CST

Resources for Your Patients ●

November 12, 2021 | 6:00 a.m. - 7:30 a.m. CST

Life After Lung Transplant ●●●

November 12, 2021 | 8:30 p.m. - 9:30 p.m. CST

Plenary Session | Moving PF Care Forward: Updates from Ongoing Research ●●●●

November 13, 2021 | 6:00 a.m. - 7:30 a.m. CST | Keynote Speaker - Gary Gibbons, MD

How to Navigate Telehealth ●●●

November 13, 2021 | 6:00 a.m. - 7:00 a.m. CST

PFF Scholars: Presentation of Novel Projects by Early Career Investigators ●

November 13, 2021 | 7:00 a.m. - 8:30 a.m. CST

Last updated: 11.05.2021
